

Presenting the Model

Brad Wilson
Software Developer
CodePlex

Complex UI
can be hard
to develop
test-first

Developers want as much testable
code as possible

Model-View-Presenter
increases testability

Use MVP to get
better designed
code

Model

View

Presenter

Can you get better designs
and reduce bugs
with simple design patterns?

Testable UIs can be challenging

Greater confidence in your application

Model-View-Presenter == Happiness
